RE: Region 16 2025 Convention – New Photography Order Forms
DATE: February 25, 2025
COPY: Regional Management and Convention Teams

This year, we are changing up the way we make photo and video orders. We've streamlined everything to go through one Zeffy link. This should make it easier for everyone as you won't have to e-mail copies of forms or mail in cheques. Zeffy takes both Canadian and US funds, all you will need is a credit card.

Here are some instructions to help you make your photo and video orders:

Quartets: Click on the link here or on the Convention Portal under 'Forms' on the Regional Website.

Choruses: Click the link here or on the Convention Portal under 'Forms' on the Regional Website.

****Choruses**** This year we are offering different print sizes. We listened to the feedback you gave us last year. Wayne, our photographer, has designed a ratio guide so you can understand and decide which photo print you would like to order. Please share this link with your chorus members to make sure they are happy with their cropping. Additionally, we have further listened to our members and will be adding back the written convention dates and location (that we had pre-covid) to the bottom of each printed photo.

Please note: On the new Zeffy forms, if you order prints, you must click the box 'postage'. Only one fee will need to be included per each quartet or chorus.

Zeffy will also encourage you to donate to them. Under 'Summary', right before you input your credit card information, make sure you click the drop-down and select 'other' where you can input 0. This is something Zeffy will automatically put on unless you change it. Region 16 has zero control over changing this option.

Our new deadline to complete these forms is **April 4th, 2025**.

If you have any questions on the order forms or ratio guides, feel free to reach out to me at meaghan.declerq@gmail.com.
